(Re)Build (New) Ukraine | The next day following the night shelling of Lutsk, which tragically killed three people, Markiyan Malskyy (Kochański & Partners), together with the representatives of the Austrian Embassy in Ukraine and the Honorary Consulate of Austria in Lviv, delivered medical equipment donated by the Magistrate Vienna to Ukraine.

This included nearly 50 fully functional modern adjustable medical beds, a haemodialysis machine, intensive care monitors and instrument tables, a delivery chair and many other valuable medical devices worth over PLN 1,000,000 in total.

The new equipment was delivered to healthcare facilities in the western part of the country, namely the Volyn Regional Hospital for Infectious Diseases, the Central Regional Hospital in Lutsk, the Lutsk City Clinical Hospital and the Kaunas Hospice, and thanks to perfectly coordinated work, all equipment was installed and operational the very next day after its arrival.
