

International Speed Business Mixer

4th November 2026

Regent Warsaw Hotel

ul. Belwederska 23, 00-761 Warszawa

Speed Business Meeting is the only formula where companies can reach a very wide business audience with their offer thanks to the cooperation between more than a dozen international bilateral chambers.

The target group that you will reach thanks to the cooperation at the International Business Mixer is the companies associated in 15 bilateral chambers - the organizers of the event.

AGENDA OF THE EVENT

18.00 - 18.20 – Welcoming and short presentations of the Sponsors - a chance to reach a selected group of recipients, decision-making persons in companies.

18.20 - 19.20 - Speed Business Mixer - a series of face-to-face meetings during which you will have the opportunity to briefly present your company, talk about the services you offer and are looking for, exchange business cards, establish new contacts, acquire new customers, suppliers, investors, etc. Each registered participant is assigned to several groups in which he/she will meet other 9 people. The session in each group lasts approximately 20 minutes. At the end of the session, on signal, the participant moves to the next group indicated to him/her beforehand. This is a unique networking formula that allows you to gain a lot of contacts in a short period of time.

19.20 - 21.00 - Networking Business Drink - Business Mixers are very popular among members of all chambers. The aim of the Business Mixers is to provide associate companies with the opportunity to establish new business contacts and strengthen existing ones in a less formal atmosphere at the hot buffet, desserts and drinks. Here, the opportunity to continue conversations initiated during Speed Business Networking is also important.

THE SPONSORSHIP OFFER INCLUDES THE FOLLOWING BENEFITS:

SPONSORSHIP PACKAGE

1. Mention of the Partner's name by the hosts in their welcome address during the official opening of the International Speed Business Mixer in Warsaw.
2. The Partner's participation in the welcome session – the opportunity to introduce the Partner in a 2-minute presentation (minimum 2 slides).
3. Inclusion of the Partner's logo on the websites of all Chambers organising the International Speed Business Mixer in Warsaw.
4. Inclusion of the Partner's logo on invitations sent to member companies by the Chambers co-organising the International Speed Business Mixer in Warsaw, and in all materials related to the event.
5. Prominent display of the Partner's logo during the event (1 roll-up banner or advertising panel on or next to the stage, depending on the venue's facilities).
6. The opportunity to display promotional materials on the reception desk during the event; the placement of the Partner's stand in the foyer is subject to agreement.
7. Additional invitations to the event for Partners:
2 invitations for the first part of the event and 2 invitations for the second part of the event (as standard, companies participating in the International Speed Business Mixer receive 1 invitation each for the first and second parts of the event).
